

## Deputy Principal Message

### Subject Selection

A reminder that RSVPs for Sports Award invitation recipients is due on Monday 11th September. Also photos are to be sent to Mrs Lahey [jlahe4@eq.edu.au](mailto:jlahe4@eq.edu.au) For more information please contact Mrs Lahey.

### Special message – Grade 7 2018 enrolments:

Sunshine Beach SHS welcomes late enrollments for Grade 7 in 2018. Enrolment application forms are available from our website, SBSHS Administration and your primary school. As we are in the process of constructing 2018 Grade 7 classes, it is vital that we confirm your child's placement with us at your earliest convenience. Should you wish to book a personal enrolment interview with the Junior Secondary Deputy Principal, Leanne McFie is very happy to meet with you. A further transition letter will be distributed shortly to each student outlining end of year events and start of academic year information. Please contact the office staff on 5440 4222 to schedule your appointment.

Enjoy your holidays.  
Leanne McFie

- Every Thursday - Grade 7 Interschool Sport
- **Immunisation Dates – Grade 7 only**  
Round 3: Wednesday 15 November

## Year 7

### Humanities

Students have started their animation for their assessment. Students can use a software program or application of their choice. We will be talking students through Scratch, an animation tool. We will also be discussing ways in which students can engage their audience through visual and digital mediums. Don't stress if you do not access to the internet! Some students may film themselves either documentary or news reporter style! Smartphones- aren't they an amazing thing?

### English

Next term we will be exploring how song lyrics can be used to influence audiences and make comment on social issues. If you know of any great protest songs or songs which deliver a powerful social message, the holidays could be the time for you to share your thoughts with your student. Wishing you all a safe and happy holiday.

### Music Excellence

Music students are doing really well with their performance tasks and theory tasks. At this stage, students should be finished

learning their 3 performance pieces for class band (Star Wars, Dr Who, and At The Hop) so they can participate in their full class band rehearsal time. Class choir students should remember to bring their Fireflies music with them to class as too many are forgetting. This should now be almost off-by-heart. With theory – students are writing their composition tasks with Mrs Falk. Hope all students have a relaxing and enjoyable holiday!

## Italian

Speaking Tests will be done over the coming weeks. Students will answer requests for directions in Italian using a map as their aid. This is an extremely valuable experience. Next term students will be delving into Sport and Leisure in Italy and Australia.

## Italian

The last part of this term is dedicated to various activities designed to consolidate language learned during the term. Also feedback will be given to students on their advertisements and listening test. Happy Holidays to all "Buone Vacanze!"

## Science

This week in science, students will be involved in CASE activities (Cognitive Acceleration through Science Education). The program does not replace curriculum science lessons, rather, it runs parallel to them. The lessons will introduce new vocabulary and attempt to cause cognitive challenge. Each lesson is based on practical work where students work in groups to explore a concept and then report back to the whole class. The upcoming lessons will investigate inverse proportions and ratios.

Year 9

## Economics and Business

Wishing all students and their families a relaxing and safe holiday. Students have finished their assessment now and are working on a short finance program teaching them financial literacies for the last week of term called ESSI Money.

## English

How do you inspire or influence someone to think novels are worth reading? Create a film? Short story? Write a script? Design a poster?

This is the question Year 9 English are to solve for their novel project starting this week. Students have received their booklet which outlines the activities to be completed each week.

Students will be pitching their idea for how they will inspire or influence someone in Week 1 and Week 2 next term. We look forward to hearing their exciting ideas! not acted.

## Maths

All Year 9 students will be completing their final Term 3 exam this week. Topics covered are Index Laws, Scientific Notation, Metric Prefixes and Simple Interest. Please encourage your students to have all required writing materials, a ruler and calculator on the day. No equipment can be lent out on the day nor shared during the exam.

## Health and Physical Education

Students should by now have completed their exam for the theory component of the course. Those who were absent will be caught up this week. As we look forward to next term, the students will be beginning a new sports choice from European Handball, Cricket, Beach Volleyball and Badminton.

## Italian

### GRAN FINALE in Italian for this Term 3!

This week students are preparing for their realistic dialogue at the Travel Agency, where they are going to play the role of a tourist agent, while Ms Ceccato will be the Italian tourist!

**agenzia di viaggi**  
*il network dell'informazione turistica*

## Excellence in surfing

Back to fitness with super small conditions. We had the GoPro and drone filming for our end of year movies.
