

THIRD PARTY WEBSITE CONSENT FORM

Third Party Website Consent

Privacy Notice

The Department of Education and Training is collecting your personal information on this form in order to obtain consent for disclosure of a student's personal information to facilitate registration and use of third party web based software identified on the form. The information will be used and disclosed by authorised school employees for the purposes outlined on the form.

Student personal information collected on this may also be used or disclosed to third parties where authorised or required by law. This information will be stored securely. If you wish to access or correct any of the personal student information on this form or discuss how it has been dealt with, please contact your student's school in the first instance.

Dear Parent/Guardian,

The use of web based educational resources has risen steadily over the last decade and are increasingly being used by teachers across Queensland to improve student learning outcomes. Our school and teachers make decisions about the best technology to meet the needs of our students. Sometimes it is beneficial for students to utilise services provided by third party web based providers.

Sunshine Beach SHS wishes to utilise various third party web based service provider/s to aid students' learning. For your student to use the service the teacher at times will need to register them as a user. Registering with these providers requires some student personal information to be disclosed to the provider of the service e.g. first name, year group, student's EQ email address. In the case of the services outlined below they are private companies that are hosted either onshore in Australia or outside of Australia. Outside of Australia means that data that is entered to register for these sites will be stored on servers that are not based in Australia and therefore are not bound by Queensland's privacy laws.

Upon enrolment, your permission for the registration and use of these sites by your student for educational purposes is provided. It is not compulsory for you to provide this consent. If you decide not to provide consent, this will not adversely affect academic achievement, or any relationships with teachers or the school.

Before you complete this consent form it is important that you understand the reasons that these websites collect this information, what will be done with it, who else may have access to it and where the data is stored. This information can be found in the hyperlinks on the school website referring to each website's terms and conditions and/or privacy policy. Please read these and ensure that you understand the implications of using this service before giving your consent. If you have any queries around the storage of student's information, please feel free to contact the HOD of Digital Learning Rob King on rking265@eq.edu.au

Below are the third party web based service provider/s reviewed to be of medium risk at use at the school. This list is updated annually on the school website. Please sign to indicate your consent (or list in the space provided which does not apply) to your child's information being provided to the third party providers for the provision of an educational service.

Name of Provider: Padlet - Used by teachers to provide home access to class work. Students only need link and are not required to log in.

Website: <http://padlet.com> IXI Do Consent
