## School Overview

Welcome to the Sunshine Beach State High School community. Located in the beautiful northern part of Queensland's Sunshine Coast, Sunshine Beach State High School is 5km from Noosa's famous Main Beach.

Sunshine Beach is a modern, progressive and internationally accredited state high school. Our school focuses on the development of positive relationships with students and the community, multiple pathways for students, teaching, learning and innovation. We have a strong academic focus and maintain links with several universities, while providing opportunities for workplace learning and certificate courses. Our School offers programs of excellence in Music, Italian and Surfing.

Choosing the school that "best" meets your child's needs is one of the most important choices a parent can make.

We, at Sunshine Beach State High School, thank you for the opportunity to highlight the features of our school and our vision for education and learning opportunities.

We are absolutely committed to creating a "futures" focused curriculum that aims to prepare students for their future in our global economy. Our school Vision is to "Empower lifelong learners through a challenging and supportive school community". We aim to enhance relevant and real learning experiences that focus on the individual child and their success whilst creating platforms of learning that are needed in the real world of work and life learning.

We invite you to be a part of the Sunshine Beach State High experience. We encourage you and your child to meet with members of Administration, Heads of Department and/or staff to support this subject selection process.

We look forward to partnering your student on their learning journey and encourage them to live our motto, "Quality In All We Do".

Working with you and for you.

## School Progress towards its goals in 2016

2014 began the implementation of our Quadrennial Review - our Strategic Plan for the next 4 years. This plan was developed through consultation with staff, students and a small band of dedicated parent supporters.

## Future Outlook

Our key imperative – high performance through teaching & learning focus – included three strategic imperatives:

- Focus on schoolwide pedagogy (ASOT & NPDL) with an emphasis on Literacy, Numeracy, Critical Thinking, E-Learning and Differentiation;
- Data informed classrooms; and
- Developing performance frameworks/pedagogy through Annual Performance Development Plan (APDP)

During 2017, our school will focus on the following strategic imperatives:

- Develop and implement our Quadrennial School Review (2014-2018) and 2014 T&L Audit Action Plan
- Improved literacy and numeracy performance across all KLAs (including NAPLAN)
- Focus on upper two bands through NAPLAN improvement
- Implementation of C2C
- Depth of data informed classroom and use to create constructive feedback loops at all layers of organisation
- ASOT rollout, and implementation of whole school pedagogical approach – Orange Days (focus on critical thinking)
- Collaborative Councils to support growth development and ownership of school evolution
- School Curriculum Plans incorporate Literacy, Numeracy, ICT Plans, Professional Development and pedagogy
- Continue to embed BYOD project
- Faculty Operational Plans that align Whole School Operational Plan
- Design of sustainable timetable to meet system and student changing needs
- Creating a management structure that meets needs of Years 7 to 12
- Maximize number of seniors receiving an OP (0-15) and/or Vocational Education and Training certification or QCE
- Use of I4S money to enable to project growth in teachers, teaching teams and lead teachers (mentors/coaches)
- Further development of ICT hardware, software peripherals and integration of ICT into teaching and learning
- Strengthen partnerships with primary feeders as we consolidate our Year 7 Junior Secondary framework
- 24/7 access to learning
- Training and development in Restorative Practices to influence PLB
- Review, refine and training in PLB (SWPBS)
- Support teacher development of ICT focussed on collaborative sharing community
- Trial of different digital learning devices as they evolve (BYO)
- Substantial financial planning for ICT hardware replacement or BYO
- Develop and implement facility & refurbishment long term as population grows and meet needs Years 7 to 12 and the exit of half cohort in 2019
- Maintain and increase market share promoting successes and innovations
- Encourage extra curricula activities such as Duke of Edinburgh
- Maintain/strengthen successful International Program
- Improved community participation and networks e.g. United Synergies, Salvation Army, Chaplaincy Committee
- Enhanced links with our feeder primary schools to improve transition success
- Implementation of OneSchool & school management systems that also supports QParents App
- Performance Framework developed and utilised – aspirant focus

## Our School at a Glance

### School Profile

**Coeducational or single sex:** Co-educational

**Independent Public School:** Yes

**Year levels offered in 2016:** Year 7 - Year 12

#### Student enrolments for this school:

	Total	Girls	Boys	Indigenous	Enrolment Continuity (Feb – Nov)
<b>2014</b>	1109	587	522	26	87%
<b>2015*</b>	1271	672	599	37	88%
<b>2016</b>	1234	659	575	31	90%

Student counts are based on the Census (August) enrolment collection.

\*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

### Characteristics of the Student Body

#### Overview

Our student body is characterised by students from a range of socio-economic demographics. The majority of our students live within a 15/20 km radius and are supported by a well serviced bus transport system. The school has a defined boundary (EMP) which feeds into the school.

Our school supports 2.67% English as a Second Language and 2.14% identified Indigenous students. Also, within this favourable northern Sunshine Coast beach location and destination, we support an array of students from international and interstate origin.

We offer an International Student Program that is comprised of about 55 students who study with us from 6 months to 2 years. They are from destinations such as Germany, Italy, Sweden, Brazil, Chile, Japan and Taiwan. This international composition generates an extension of learning academically, culturally and socially for our whole learning community.

We operate a Student Services centre that incorporates "Learning Support" student needs, School Nurse, Chaplain, Behaviour Management specialists and community partnerships. This faculty extends also to support 6 Heads of Year who engage in support and direction of a whole year level (well-being 'ness').

Further, we host a Special Learning Centre that provides for the needs of approximately 65 Special Education students, those who are intellectually and physically impaired. The Centre provides specialist staff and facilities to extend learning opportunities for students' specific and individual needs.

In 2016, our key strategic priorities focussed on students.

- School improvement hierarchy
- Continued commitment to differentiated teaching and learning
- Targeted use of school resources
- School community partnerships
- Explicit improvement agenda
- Commitment to school Vision and Values
- Alignment of curriculum with system and school priorities
- Improved performance for all students
- "Every Day Counts" focus - attendance
- Enhancing digital 21<sup>st</sup> century learning
- Wellbeing through quality support services
- High quality utilisation of resources and improved sustainability
- High quality communication networks and systems with students, staff, parents and community
- Celebrating our success with our community
- Continue to maintain multiple pathways and diverse learning experiences.

## Average Class Sizes

The following table shows the average class size information for each phase of schooling.

## Curriculum Delivery

### Our Approach to Curriculum Delivery

As identified throughout the website, our Junior Secondary Learning (Year 7/8/9) is based upon the ACARA, C2C & QCARF - Queensland Curriculum, Assessment & Reporting Framework. It features:

- guidelines as indicated by ACARA, QCAA, AQTF
- development of creative thinking skills, self-directed learning, innovation and collaboration
- a timetable based on 6 subjects per semester – with English, Mathematics, Science, Social Science & HPE as core (in Year 7-9/10); then in Year 11-12 English/Maths core and four electives
- the integration of information communication technologies
- delayed specialisation and experiential learning
- additional time for specific literacy and numeracy learning

Our Senior Phase of Learning begins in Semester 2 of Year 10 with the development of learning in senior preparatory courses of study. Our studies include a diverse range of Authority and Non-Authority subjects. We aim to embrace the needs of OP eligible and non-OP eligible students, along with transition to workforce, TAFE courses and Certificate level courses (Certificate I – III) on-line virtual programs. Flexible learning opportunities are devised to cater for individuals.

In the Senior Phase, we provide numerous learning opportunities for students to research and establish goals that are relevant to their chosen pathways. Set Plan interviews, Guidance Officer interviews, Subject Evenings, specialist talks, one-to-one goal setting and mentor groups aim to make the transition to the Senior Phase of learning relevant to individual Senior students.

Our school offers many Authority and non-Authority registered subjects. We offer a large cross-section of Certificate courses e.g. Certificate III Children's Services, Certificate II Retail (on-line), Certificate II & III Visual Arts, Certificate II Hospitality, Certificate III Aged Care, Certificate III Education Support, Certificate III Fitness, Certificate II Electrotech, Certificate II Horticulture, Certificate II Public Safety, Certificate II Sports Coaching, Fashion Studies and further specialist Authority subjects in Music Extension, Excellence in Surfing, and Italian. Further, we encourage traineeships and scholarships with the support of a SAT officer.

To provide relevant and "real" learning experiences to our student population, we have evolved a student and staff services structure that "cares" for the individual. Our Responsible Behaviour Plan focuses on responsibility and ownership of behaviours. We embrace clear and frequent communication to support productive outcomes for students. A "no blame" culture and restorative practices support the development of life-long skills for students.

We create a number of programs across our school community that assist in the development of the whole "individual" e.g. Rock & Water, Shine, Big Thursday.

Further to support the growth of the 21st Century learner and worker, we have an International Program that promotes an understanding and appreciation of other cultures. This International Program not only strengthens students' awareness and empathy, it also contributes to the further internationalisation of our workforce, and an acceptance of the global economy.

## Co-curricular Activities

Our school features one of the strongest music programs on the Sunshine Coast that embraces Choir, Stage & Concert Bands, Percussion Ensembles and String Orchestra. We also have individuals involved in writing, playing and recording music.

- A strong and well represented Student Council structure enables "voices" of student population.
- Learning community provides a cross-section of flexible opportunities - accelerated programs including University Headstart, extension programs, debating, youth speaks, creative writing, performance – dance/cheerleading, traineeships, apprenticeships' mentoring, Indigenous program.
- Our students participate in a wide array of sports – including Water Polo, Royal Lifesaving, Rowing, Rugby Union, Netball, Athletics, Surfing and AFL Football (and any other opportunities as they arise).
- To extend the learning potential and support of our senior students, we offer numerous after-school tutorial sessions: Study Club, Maths, English, Humanities, Art, Drama, Physics, Chemistry, Marine Studies & Biology.
- Cheerleading
- Drama Evenings
- Duke of Edinburgh Bridge Program

## How Information and Communication Technologies are used to Assist Learning

A quickly evolving feature of our curriculum delivery is the integration of ICTs in the day to day teaching and learning program. All teachers have their own laptop. There is an extensive program of professional development and learning to enhance student outcomes. Our school is very keen to apply these digital skills to support our students in the global economy, whilst embracing 21<sup>st</sup> Century learning and working skills. We have a wireless network throughout the whole school.

Also the school is continually extending the suite of new software packages and learning centres to extend the education process. Data projectors, trials of Apple Macs, Netbooks & IPod Touches, ICT peripherals and virtual classroom access are enabling our students to embrace 21st Century styles of learning. The hardware population has grown, along with necessary connectivity and 1:1 personal learning for students from Year 9 to Year 12. More recently, the school has moved into the space of BYO devices to enhance individual choice and multi-modal learning.

## Social Climate

### Overview

Sunshine Beach State High School has a strong focus on student welfare. The school invests in 6 Heads of Year (key well-being, mentors/teacher leaders) who assist students to reach their potential. Further, there is a network of mentors, School Nurse, Chaplain, Learning Support teacher, Traineeship Officer and Liaison Officer-Sunshine Connect. This creates a network to ensure we focus on our school vision to provide a “supportive” school environment. This supportive focus is reflected in parental satisfaction in the 2012 School Opinion Survey where parents rated the school above other schools.

Students and parents believe behaviour is managed well – above other state schools. Further, both parents and students believe that students are well cared for – 100%, noted by parent feedback in School Opinion Survey.

### Parent and community engagement

- Continued development and promotion of the P&C and School Council as the key parent/community focus groups
- Development of parent group (monthly meetings)
- "SHINER" newsletter distributed each term
- Weekly curriculum and activity based year level emails
- Implement parent helper program
- Year 7 parent & student orientation programs
- Appointed literacy and numeracy coaches
- Appointed differentiation coach
- Learning Support HOD and support teachers
- Designated literacy and numeracy classes
- Intensive focused literacy and numeracy classes
- Parent, teachers and key staff in consultation processes to generate and endorse ICPs at appropriate age for that student
- Crest academic program, Music Excellence & "Water is Life" global project

### Respectful relationships programs

The school has developed and implemented a program or programs that focus on appropriate, respectful and healthy relationships.

## School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2014*	2015**	2016
Short Suspensions – 1 to 5 days	114	142	107
Long Suspensions – 6 to 20 days	2	7	5
Exclusions	9	4	1
Cancellations of Enrolment	2	3	1

\* Caution should be used when comparing post 2013 SDA data as amendments to EGPA disciplinary provisions and changes in methodology created time series breaks in 2014 and 2015.

\*\*From 2015, Exclusion represents principal decisions to exclude rather than recommendations for exclusion. From 2015 where a principal decided not to exclude, a small number of recommendations for exclusions have been counted as a long suspension. Exclusions, Cancellations and Long & Charge Suspensions may be upheld or set aside through an appeals process.

## Environmental Footprint

### Reducing the school's environmental footprint

Data is sourced from school's annual utilities return and is reliant on the accuracy of these returns.

Over the past few years, Sunshine Beach SHS has recognised the shift in energy supply to renewable sources and has taken advantage of the Solar & Energy Efficient Programs & the National Solar Schools Program in an effort to reduce energy consumption. Combined, these programs has seen the installation of solar panels in the Commerce building, in-line flow devices on taps, upgrade of urinal systems, 5 x water tanks and energy efficient lighting (28 watt lamps) throughout the school. Continued upgrades to infrastructure and encouraging behaviour change will assist in improvement to the school's energy management.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2013-2014	383,080	52,722
2014-2015	399,224	44,421
2015-2016	400,432	3,021

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

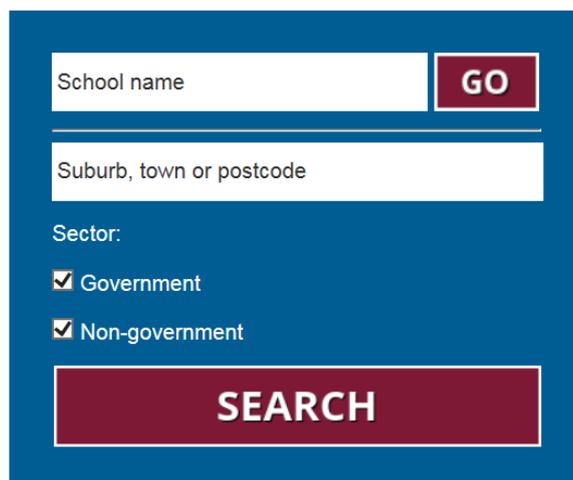

## School Funding

### School income broken down by funding source

School income, reported by financial year accounting cycle using standardized national methodologies and broken down by funding source is available via the *My School* website at <http://www.myschool.edu.au>.

To access our income details, click on the *My School* link above. You will then be taken to the *My School* website with the following '**Find a school**' text box.

#### Find a school

The screenshot shows a search form with a blue background. At the top, there is a text input field labeled 'School name' and a red button labeled 'GO'. Below this is another text input field labeled 'Suburb, town or postcode'. Underneath, the text 'Sector:' is followed by two checked checkboxes: 'Government' and 'Non-government'. At the bottom of the form is a large red button labeled 'SEARCH'.

Where it states '**School name**', type in the name of the school you wish to view, select the school from the drop-down list and select <GO>. Read and follow the instructions on the next screen; you will be asked to confirm that you are not a robot then by clicking continue, you acknowledge that you have read, accepted and agree to the **Terms of Use** and **Privacy Policy** before being given access to the school's *profile* webpage.

School financial information is available by selecting '**School finances**' in the menu box in the top left corner of the school's profile webpage. If you are unable to access the internet, please contact the school for a paper copy of income by funding source.

#### Student Attendance

##### Student attendance

The table below shows the attendance information for all students at this school:

STUDENT ATTENDANCE 2016			
Description	2014	2015	2016
The overall attendance rate* for the students at this school (shown as a percentage).	89%	90%	89%
The attendance rate for Indigenous students at this school (shown as a percentage).	87%	85%	85%

\*The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall student attendance rate in 2016 for all Queensland Secondary schools was 90%.

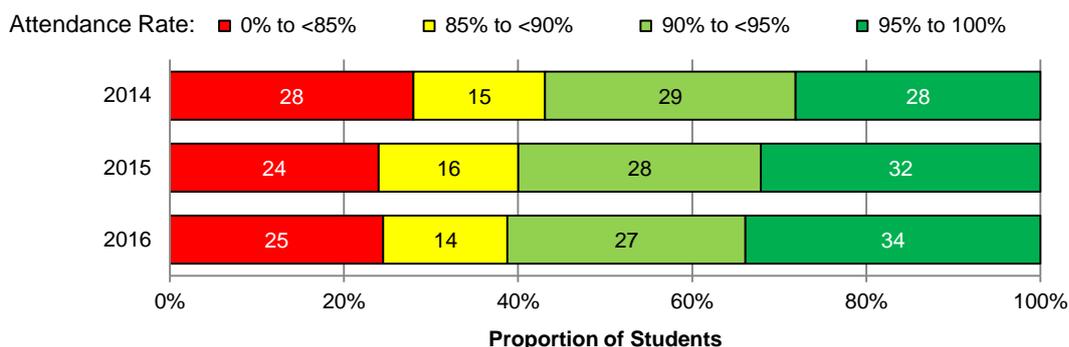

AVERAGE STUDENT ATTENDANCE RATE* (%) FOR EACH YEAR LEVEL													
Year Level	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12
2014									91%	90%	87%	88%	87%
2015								92%	92%	89%	89%	90%	89%
2016								92%	89%	90%	87%	90%	90%

\*Attendance rates effectively count attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

## Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Our rolls are marked digitally every lesson on ID Attend. The information is collated and anomalies identified. Immediate parent contact using Infoways text messaging system to inform of full or part day/s absence is used. Text messages are sent at the end of every lesson if a student is marked 'unexplained absence'.

HOD Student Services generates report (Watchlist) for students in Years 7, 8, 9 and 10.

After 5 unexplained absences of where there is a persistent pattern of unexplained absences or general attendance falls below 75% with unsatisfactory explanations, OneSchool unexplained absence letter is generated and Absentee Officer informed.

If students are away for extended periods of illness or relevant alternate programs/sport, HOY and students may co-ordinate work to be collected or emailed to home.

Every effort is made to encourage students and parents to recognise the belief that "Every Day Counts". This happens regularly in person, emails, newsletters, etc.

## Student Destinations

### Post-school destination information

The results of the 2016 post-school destinations survey, Next Step – Student Destination Report (2016 Year 12 cohort), will be uploaded to the school's website in September.

The report will be available at:

<http://www.sunshinebeachhigh.eq.edu.au/Supportandresources/Formsanddocuments/Pages/Documents.aspx>

### Early leavers' information

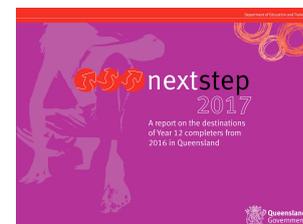

The destinations of young people who left the school in Years 10, 11 and prior to completing Year 12 are described below.

Analysis of the data regarding early leavers predominantly identifies that intrastate, interstate and overseas destinations are favoured, perhaps as a result of demographics and tourist related industry.

# NEXT STEP 2017

## DESTINATIONS OF 2016 YEAR 12s

### Sunshine Beach State High School

#### Introduction

This page presents a summary of results of the annual *Next Step* survey for Sunshine Beach State High School. The *Next Step* survey, undertaken by the Queensland Government, targets all students who completed Year 12 and gained a Senior Statement in 2016, whether they attended a state, Catholic or independent school, or a TAFE secondary college. The Queensland Government Statistician's Office conducted the survey between March and June 2017, approximately six months after the young people left school. Responses were collected online and via computer-assisted telephone interviewing.

Statewide and regional reports from the 2017 *Next Step* survey will be available on the *Next Step* website from September 2017 at [www.education.qld.gov.au/nextstep](http://www.education.qld.gov.au/nextstep).

#### Response rate for Sunshine Beach State High School

Table 1 below reports the response rate for Sunshine Beach State High School. It expresses the number of respondents from this school, as a percentage of all Year 12 completers who attended Sunshine Beach State High School in 2016.

It has not been possible to ascertain how representative these responses are of all Year 12 completers from this school.

**Table 1: Survey response rate, Sunshine Beach State High School 2017**

Number of respondents	Number of students who completed Year 12	Response rate (%)
164	200	82.0

#### Definitions of main destinations

The pathways of Year 12 completers were categorised into ten main destinations. Year 12 completers who were both studying and working were reported as studying for their main destination. A table defining these categories can be found in the statewide report at [www.education.qld.gov.au/nextstep](http://www.education.qld.gov.au/nextstep).

#### Summary of findings

In 2017, 42.7% of young people who completed Year 12 at Sunshine Beach State High School in 2016 continued in some recognised form of education and training in the year after they left school.

The most common study destination was Bachelor Degree (23.2%). The combined VET study destinations accounted for 19.5% of respondents, including 8.5% in campus-based VET programs, with 3.7% of Year 12 completers entering programs at Certificate IV level or higher.

11.0% commenced employment-based training, either as an apprentice (7.3%) or trainee (3.7%).

In addition to the above study destinations, a further 15.2% of respondents from this school deferred a tertiary offer in 2017 (deferrers are included in their current destination).

57.3% did not enter post-school education or training, and were either employed (42.7%), seeking work (11.0%) or not in the labour force, education or training (3.7%).
