Sunshine Beach High
International and Languages Faculty

Delivering local outcomes

We Believe In International Education

Sunshine Beach High ranks at the TOP of International Programmes in the Sunshine Coast, Queensland.

Year	2013	2014	2015	2016
Students	95	90	95	103

International Experts

Our teachers are education experts with masters degrees in several strands of, amongst others, Science, Humanities, The Arts, Technology, Sport, Languages and Asian Studies.

What Our Graduates Are Saying:

The course met my expectations

The course benefited me

This Experience was the best thing in my life

Studying at Sunshine Beach gave me an edge

National Recognition

Our courses deliver a National Curriculum with the offer of two year excellence programmes like:

- SURFING EXCELLENCE
- MUSIC EXCELLENCE
- ITALIAN EXCELLENCE

Biosphere Reserve

Sunshine Beach is positioned in the heart of the United Nations recognised biosphere reserve.

***ITN (Information Technology System)

*** IPT (Information Processing and Technology)

Students from Countries with particular education agreement with Australia (Italy-Brazil), will select their subjects accordingly. Example below is for Brazil only:

- English and Mathematics (mandatory)
- 1 Science subject (selected from Biology, Chemistry, Physics, Marine Studies /Aquatic P.)
- 1 Humanities subject (selected from A/M History, Geography, Legal Studies, Economics)
- 1 Sport subject (Physical Education, Recreation Studies, Health)

Special Consideration is giving to students in the Excellence Programs such as Surfing, Music and Italian.

Particular requests from overseas' schools will be considered, subject to Sunshine Beach High's timetable structure.

Students are required full attendance and at least a passing mark (not less than C in a scale A- E) to the selected subjects, in compliance with their Study Visa.
