

Sunshine Beach State High School

2018 CREST Scholars Application

Year 7 CREST Scholars Program is designed to provide enrichment opportunities for highly motivated students to develop their skills in critical thinking, communication, collaboration, creativity and innovation under the focus areas of STEM (Science, Technology, Engineering and Mathematics).

Why is STEM important?

- STEM touches every aspect of our lives, from our smartphones to the technologies that enable us to explore the world around us and outer space.
- It also drives innovation in our fast-changing global economy.
- To succeed in this environment, and for Queensland to prosper in the future, our students need a strong foundation in STEM.

CREST applications must be received by Monday, 15 May, 2017 (3.00pm)
