May 2015

Policy statement

To be compliant with Standard 6 of the *Standards for Registered Training Organisations (RTOs) 2015* the school RTO must have a publically available complaints and appeals policy.

Sunshine Beach State High School will ensure that the principles of natural justice and procedural fairness are adopted at every stage of the complaints and appeals process. All formal complaints and appeals will be heard and decided on within 60 calendar days of receiving the written complaint or appeal. If Sunshine Beach State High School considers more than 60 calendar days are required to process and finalise the complaint or appeal, the complainant or appellant will be informed of the reasons in writing and will be regularly updated on the progress of the matter.

If the processes fail to resolve the complaint or appeal, a review by an independent party will be provided if requested.

The designated person will maintain a secure Complaints and Appeals Register, which documents all formal complaints, appeals and their outcomes.

Any substantiated complaints, as well as the complaints and appeals policy, will be reviewed as part of the continuous improvement processes and appropriate corrective action taken to eliminate or mitigate the likelihood of reoccurrence.

The Principal (as the chief executive officer) of the school RTO is ultimately responsible for ensuring that the Sunshine Beach State High School complies with the VQF. This includes the complaints and appeals policy and procedures.
