

## **UNIFORM POLICY**

The Parents & Citizens' Association, which represents the parents of the school, determined that Sunshine Beach State High School would be a uniform school. The advantages of wearing a school uniform include developing a sense of belonging to a group, pride in membership of that group, identification of students and equity. As a part of the enrolment process all parents and students have agreed to the wearing of the full school uniform when signing the Sunshine Beach High Enrolment form.

School winter jacket and long navy pants available for all year levels for both boys and girls.

**Please note that the formal and sports uniform items cannot be mixed and matched e.g. boys formal shirt with sports shorts. Students in each year level must wear the appropriate formal shirt (and tie) and sports shirt for their year level. Students are to present in formal uniform on day of assembly or other school event where required.**

If a student is unable to wear the correct uniform, they are required to see their year level Deputy Principal for a Uniform Pass. The Deputy Principal will negotiate a time with the student for the item to be corrected.

Should there be any financial hardship that impacts upon a student wearing the correct uniform, parents are requested to contact their child's Deputy Principal to discuss.

If a student presents in an incorrect item of uniform, it is expected that they will produce the uniform pass issued by the Deputy Principal. If this cannot be done, then the teacher records on IDAttend the uniform infringement. Heads of Year will follow up the infringement/s and the student will receive an official warning by their Head of Year and which will be recorded on their file. The Head of Year will negotiate with the student a timeframe for the items to be corrected by and contact the parent. If the item is not corrected by the agreed time, the student will be issued with a detention for not following the Uniform Policy.
