

Sunshine Beach State High School

2024 Year 8 Academic Pipeline Program

The Academic Pipeline Program enhances the vision for STEAM (Science, Technology, Engineering, Arts and Mathematics) at SBSHS to equip students with the necessary 21st Century skills (6 C's) and knowledge to be innovative and aspirational problem solvers of the future. STEAM learning experiences inspire creativity and critical thinking in order to encourage students to be empowered lifelong learners.

STEAM at Sunshine Beach

- The Academic Pipeline Program builds upon SBSHS Young Crest Scholars and Year 7 Crest Programs
- The Pipeline will consist of four STEAM Immersion Days for students in Year 8
- Students will cover a range of STEAM activities over the course of the year to have the opportunity to develop their skills in critical and creative thinking
- Students will make positive contributions to the world through innovation, collaboration and creativity

Academic Pipeline Program applications must be received by Friday, 23 February, 2024 (3.00pm)
